

# QUAY QUARTER CONSTRUCTION UPDATE

14 January 2019

## LOFTUS LANE DEVELOPMENT

---

### Delivery of machinery

**Tuesday, 15 January 2019**

As required by authority approvals, a piling rig will be delivered prior to 6:00am on Tuesday, 15 January.

The oversized delivery vehicle will park on Loftus Street until 7:00am, at which point the piling rig will be unloaded on Loftus Street and driven onto site via Loftus Lane South, traffic control will be in place.
