28 October 2019

QUAY QUARTER TOWER (QQT)

Working hours

Monday, 28 October

Multiplex have liaised with City of Sydney Council and will continue with facade installation out of the original DA approved hours.

Continuing from **Monday, 28 October** the normal working hours of **7:00am** to **7:00pm** will be replaced with **5:00am** to **7:00pm** on **Monday** to **Friday**.

The work will involve the relocation of panels inside the building on the southern side.

During the additional working hours, there will be no use of the tower crane or external hoists.

We do not anticipate this work to be noisy, however every effort will be made to keep noise to a minimum.
